

December 2012

Dear Friends and Family,

This student whom you know personally is requesting you to help support an urgent sense of civic engagement by the youth in our community.

A prominent playground called Kidsburg was destroyed in last year's flood after over 20 years of constant, loving use by people near and far. Considered "everybody's playground," it was the centerpiece of the Bloomsburg Town Park in northeast PA.

The children and families have already experienced one lonely summer without Kidsburg and are longing for it to be rebuilt as soon as possible, in a way that serves an even broader population. The new Kidsburg will be located on higher ground, using sustainable materials and an accessible design that welcomes everyone to play together for a long time to come.

Please help encourage this student's individual efforts to rebuild Kidsburg now. Send your tax-deductible payment by check or pay securely online by Paypal or credit card at [www.kidsburg.org](http://www.kidsburg.org). Make checks payable to "Kidsburg 2.0/BTPIA" (P.O. Box 432, Bloomsburg, PA 17815). You may also place your check inside this letter, refolded and sealed on all sides, and then mail it with a stamp to the return address shown on the reverse side of this letter. Public thanks is given unless otherwise requested, and a receipt for your tax-deductible donation is provided upon request. Major donors will have their contributions permanently acknowledged on the playground site.

We thank you for supporting our children's decision to make this world a better, more fun, and safer place for them, their friends, and their families.

Sincerely,

Deb Huckans  
Kidsburg 2.0 Co-Chair
